## Sign Up for The Court Report!

*A monthly email containing information on arrests and the prosecution of crimes in your neighborhood!*

### *Building Safer Neighborhoods Through Community Partnership*

Each month, the U.S. Attorney's Office Community Prosecution staff publishes a report containing a summary of significant cases in your community which were prosecuted during the previous month. These Court Reports discuss crimes that have occurred in your neighborhood, and provide updates on the criminal convictions of those who commit these crimes. The report contains detailed information about cases, including the defendant's name, a summary of the crime, final disposition of a case, and when fully adjudicated, the sentence imposed.

**The Court Report is now available in a monthly email!** To receive the Court Report please contact the Community Outreach Specialist in your Police District and provide your name, agency/organization and email address.
